ALCOHOL, METAL DETECTORS & SURVEILLANCE CAMERAS

Based upon reasonable suspicion, students can be asked to submit to an alcohol odor detecting device or metal detector during the school day or at after school events on school property. Some schools may have video surveillance cameras. Some buses operated or contracted by HCPS may have both video surveillance cameras and audio recording equipment to monitor student safety and behavior. Please view the full handbook and/or the Board Policy Manual for more information. [Back to Table of Contents](#)

ATTENDANCE

Daily attendance is required to receive credit for courses. A student is required to bring a written note from their parent/guardian giving reason for any absences within three school days of the student's return to school.

During a normal operating scheduled day:

If a student is...	They are counted...
In attendance for 4 or more hours	Present for full day
In attendance for 2, but less than 4 hours	Present for half day
Absent less than 2 and one-half hours in the morning	Tardy
Absent less than 2 and one-half hours before dismissal	Early dismissal

During a delayed opening or early dismissal:

If a student is...	They are counted...
Absent no more than 30 minutes	Present for full day
In attendance for at least 2 hours	Present for half day
Absent less than 30 minutes in the morning	Tardy
Absent less than 30 minutes before dismissal	Early dismissal

Students scheduled for a partial day are counted present based on the amount of time he/she is scheduled. Example: A student scheduled for a two-hour block of time will be counted present for a full day if in attendance for that entire block of time. The student is absent if they are not present for that entire block of time. A student is present for one-half day if in attendance for one hour.

In order to receive the Perfect Attendance Award at the end of the school year, a child must be enrolled in a Harford County school the entire year and be present each day. During our *Paws to Celebrate* assemblies, we will recognize and honor students that are in school every day, never late and never leave early. A child is eligible for any/all time periods that he/she meets the criteria.

Lawful Absences

Lawful absences include death in the immediate family; illness of the student, which may require a physician's certificate from the parent/guardian; court summons; hazardous weather conditions; work approved by the school, the local school system, or the State Department of Education and accepted by the local superintendent, school principal, or their designees; observance of a major religious holiday; pregnancy and parenting; state of emergency; suspension; lack of authorized transportation, not including authorized transportation denied for disciplinary reasons; other emergency or set of circumstances which, in the judgment of the superintendent or designee, constitutes a good and sufficient cause for absence from school.

Unlawful Absences

Absences, including partial absences, for any reason other than those cited as lawful are presumed to be unlawful. Repeated unlawful absences will require a school conference between the appropriate school personnel and parent(s)/guardian(s) and may result in a referral to the pupil personnel worker.

Tardiness

Tardiness occurs when a student arrives up to two and one-half hours late. Students arriving with less than two hours remaining in the school day would be considered absent the full day.

Standard for Regular Attendance

The standard for regular attendance is the minimal requirement for student attendance in order to permit continuity in the instructional program. Students will be defined as chronically absent if they are enrolled at least 10 days in a school and absent at least 10 percent of the time, regardless of the reason. The actions taken when the standard is not met should reflect a continuum of consequences for increasing absenteeism. School officials may waive these actions when they are aware of circumstances beyond the student's control, such as documented chronic illnesses, etc. In addition, students who receive services under an Individualized Education Plan (IEP) or 504 plan may not necessarily be subject to the consequences for failing to meet the attendance standard.

Beginning with the fourth absence and/or tardiness, the parent/ guardian will be notified in writing. Continued absence and/or tardiness of the student will result in the initiation of one or more of the following actions: conference with the parent/guardian, student, and principal or designee; referral to Student Services team and/or pupil personnel worker for appropriate intervention; probationary time period - verbal agreement; written contract; after-school detention; Saturday school (non-teaching day attendance); removal of school privileges; restriction of extracurricular activities; in-school suspension (due process procedures followed); referral to Student Services for possible outside referral to court for violation of the compulsory attendance law or to Juvenile Services for intake services.

Make-up Work Procedures

Make-up work will not be given to students for unlawful absences. If a student is lawfully absent for five days or less, it is the responsibility of the student and/or guardian to request missed assignments. Students will be given the number of days equal to the number of days absent to turn in completed work. If available, assignments may be provided prior to a lawful absence if requested by a parent/guardian at least five days in advance, and with approval by the principal. Submission of make-up work provided in advance is required upon student's return to school, unless there are extenuating circumstances.

If a student is lawfully absent for six days or more, it is the responsibility of the parent/guardian to request to arrange for make-up work. The teacher will provide make-up work in a method of their choice and will collect and correct the work. A reasonable timeline for the completion of work will be established. The student will be accountable for all assigned make-up work.

All make-up work will be graded in accordance with the regular classroom grading policy as long as it is completed within the established timeline. Students permitted to enroll in the Alternative Education Program as a result of a long-term suspension do not have the option to receive make-up work from the home school. Please view the full handbook and/or the Board Policy Manual for more information.

Vacations

Family vacations during the school year are strongly discouraged. They are lawful only with prior written approval of the principal and must not exceed five days per school year. Written requests must be made at least ten days in advance of the potential absence, and if approved, parents/ guardians and students are responsible for requesting assignments. Vacation requests that are more than five days but less than ten are forwarded (along with relevant information) to the Executive Director of Elementary School Performance for review.

Vacation/trip requests that are ten or more days will be forwarded to the Pupil Personnel Worker (PPW). There are two options for a trip/vacation that is ten or more days:

1. Student is withdrawn from school after the tenth absence. Upon return from the vacation/trip, the parent/guardian will need to re-register the child by providing an updated Proof of Residency (i.e. current BGE bill, landline phone bill).
2. Parent/guardian applies for homeschooling through the PPW. Upon returning from the vacation/trip, the parent/guardian will need to re-register the child by providing an updated Proof of Residency (i.e. current BGE bill, landline phone bill).

Under normal circumstances, the child will likely be placed back into the same classes upon return. For more about lawful/unlawful absences, the appeal process for denied vacation requests, make-up work, and for grade level-specific information, please review the full handbook online at www.hcps.org. BULLYING, CYBERBULLYING, HARASSMENT OR INTIMIDATION

Bullying, cyberbullying, harassment, or intimidation are prohibited and not tolerated by the students, volunteers, or employees of Harford County Public Schools. If you believe your child has been the victim of bullying, harassment, or intimidation, you are asked to notify a school staff member and complete a Bullying, Cyberbullying, Harassment or Intimidation Reporting Form. The form is available on the Harford County Public Schools website, www.hcps.org, and at your child's school. The form may be submitted online or returned to the principal at the student victim's school. Contact the school for additional information or assistance. [Back to Table of Contents](#)

CELEBRATIONS

Homestead-Wakefield has a "no treat" policy including any food as a means of celebrating a birthday. In addition, balloons are not permitted. We make every attempt to preserve the instructional routine of the day without interruptions. We must also be sensitive to the health and well-being of students and that there are areas, including the cafeteria and classrooms, which have restrictions due to allergies. [Back to Table of Contents](#)

CHARACTER EDUCATION

Paws to Celebrate assemblies will be held to celebrate with students a variety of character education initiatives and characteristics. At each celebration, students will be recognized as the "Pawesome" Student for exhibiting safe, respectful and responsible behavior. Parents will be notified and invited to attend the assembly and share in the celebration. Since the program is designed to recognize those displaying outstanding character on a consistent basis, not every child can be recognized as a "Pawesome" Student. However, there are other opportunities for individual and class recognition on a variety of levels through the "Pawesome" Program. [Back to Table of Contents](#)

DRESS CODE

Students have the responsibility to choose their attire and personal appearance in a manner that is safe, healthy, inoffensive and is not disruptive to the educational process. FIELD TRIPS

Field trips are optional educational experiences that extend the learning environment beyond the classroom. These trips are planned in conjunction with current studies yet they are not mandated by the curriculum. A signed permission slip by a parent or legal guardian is required for participation in a trip. Children without written permission may not go on the trip and will receive alternative arrangements and accommodations. Students must ride the bus to and from the field trip destination unless other arrangements have been made in advance. There may be a fee for students and chaperones on some field trips. There are destinations that have a limit to the number of chaperones that are able to attend. A fair and equal opportunity will be given to those that wish to attend a trip. [Back to Table of Contents](#)

HOMEWORK

Homework assignments should relate directly to classwork, extending learning beyond the classroom and encouraging independent learning while providing experience in following directions, making judgments, raising additional questions for study, and developing responsibility and self-discipline. It is also a means to communicate with parents regarding current class activities and topics of study. While homework may be assigned over the weekends, it may not be assigned over the holidays when schools are closed.

Normally, children in primary grades (K-3) are assigned from fifteen to thirty minutes of homework per day. Children in the intermediate grades (4-5) are assigned from thirty to forty-five minutes of homework each day. In the event that a homework assignment is too difficult or not understood, please contact the teacher. [Back to Table of Contents](#)

INCLEMENT WEATHER POLICY

All public schools in Harford County will be closed on days when roads, school parking lots and/or school driveways/walkways are considered unsafe for school bus transportation and student/staff use. The decision to close is made by the superintendent of schools as early as possible on the morning in question. In the vast majority of cases, this is prior to 5:00 a.m. Any change from the normal school schedule as a result of inclement weather will be communicated through the school system's rapid telephone notification system, email, text message, Twitter, Facebook, and on radio and television broadcasts.

In addition, changes will be listed on the Harford County Public Schools website at www.hcps.org. No telephone calls or media announcements will be made when schools are operating on a normal schedule. Please view the full handbook and/or the Board Policy Manual for more information. PRIVACY RIGHTS OF PARENTS & STUDENTS

The Family Educational Rights and Privacy Act (FERPA)/Student Records.

Definitions

- Directory Information - Records which contain personally identifiable information, but which have been designated by HCPS to be disclosed without parent/guardian consent.
- Personally Identifiable Information (PII) - data or information including (a) the name of the student, his/her parents/guardians, and family members; (b) address; (c) social security number or student number; (d) a list of personal characteristics which would make it possible to identify the student with reasonable certainty; or (e) other information which would make it possible to identify the student with reasonable certainty.
- Student Records - records that are: (a) directly related to a student; and (b) maintained by Harford County Public Schools or by a party acting for Harford County Public Schools.

Notification of Rights under FERPA for Elementary and Secondary Schools

The FERPA affords parents/guardians and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's records. These rights are:

- The right to inspect and review the student's education records within 45 days after the day the school receives a request for access. Parents/ Guardians or eligible students should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent/guardian or eligible student of the time and place where the records may be inspected.
- The right to request the amendment of the student's education records that the parent/guardian or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents/Guardians or eligible students who wish to ask the school to amend a record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent/guardian or eligible student, the school will notify the parent/guardian or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent/guardian or eligible student when notified of the right to a hearing.
- The right to provide written consent which authorizes the school to disclose personally identifiable information (PII) from the student's records, except to the extent that FERPA

authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests.

A school official is a person employed or hired by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff), school resource officer or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant or therapist; a parent/guardian or student voluntarily serving on an official committee, such as a disciplinary or grievance committee; or a parent/guardian, student or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the office that administers FERPA: Student Privacy Policy Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202.

Notice for Disclosure of Directory Information

FERPA requires that Harford County Public Schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Harford County Public Schools may disclose appropriately designated "directory information" without written consent, unless you have advised the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow Harford County Public Schools to include this type of information from your child's education records in certain school publications.

In addition, two federal laws require local educational agencies receiving assistance under the Elementary and Secondary Education Act of 1965 to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents/guardians have advised the local school system that they do not want their student's information disclosed without their prior written consent.

If you do not want Harford County Public Schools to disclose directory information from your child's education records without your prior written consent, you must notify the student's principal in writing within 10 school days of the first day of school. Harford County Public Schools has designated the following information as directory information:

- Student's name and grade, but only when it appears on honor roll or graduation list or as a member of a school-approved team, club or other student organization or school publication;
- Participation in officially recognized activities and sports;
- Weight and height of members of athletic teams;
- Degrees and awards received;
- Student's name and photograph as they appear in individual school or school system publications. [Back to Table of Contents](#)

Rights & obligations of a parent/legal guardian

1. The rights/obligations set forth in Section 1 apply whether a parent has been awarded custody, joint custody, or visitation or where parents are living separate and apart and no court order relating to the children has been issued. A parent/legal guardian may exercise the following rights unless a court order prohibits the parent/legal guardian from exercising said rights either in whole or in part. Said rights are as follows.
 - a. A parent/legal guardian may pick up a child from school with the exception that a parent, who may exercise supervised visitation only, may not pick up or sign out.
 - b. A parent/legal guardian may be present at school for the purposes of observing their child in the educational environment, in school activities such as assemblies, plays, concerts and similar functions or activities which parents usually and ordinarily attend.
 - c. Parents/legal guardians may inspect and review educational records of the student.
 1. Schools may charge a fee for copies of the student records which are made for the parent or guardian of the student provided the fee does not effectively prevent the parent or guardian from exercising the right to inspect and review the records.
 2. If a non-custodial parent requests to be provided copies of school related information which is provided to the custodial parent, the school shall provide the non-custodial parent copies of the information.
2. Only a parent who has custody/joint custody or legal guardian may withdraw a student.
3. Educational Decision Making. In circumstances where parents are living separate and apart, only parents who have been awarded, by court order, custody or joint custody, or parents who are living separate and apart with no court order relating to the child, shall make or participate in decisions relating to the child's education. This paragraph does not apply to decisions or matters discussed at an IEP meeting.
4. Identification. In the event an administrator has a reasonable doubt regarding whether an individual is, in fact, a parent or legal guardian of a student, the administrator shall request such documentation which shall include a birth certificate or judicial record which establishes either the maternity or paternity or legal guardianship of the person relative to the student in question as well as a photographic identification of the parent/legal guardian. In the event that the parent/legal guardian fails to provide such documentation or such documentation is provided but is in the opinion of the administrator insufficient, the administrator shall prohibit the person in question from exercising the rights set forth above.
5. Written Authorization. Except for activities described in paragraph 1(b) above, which are attended by members of the general public, no person other than a parent/legal guardian shall be entitled to exercise the rights above without written approval of the parent/legal guardian.
6. Visitation at school. Parents who have visitation rights shall not exercise visitation at school. Such parents may participate in all school functions or activities in which other parents participate unless a court order prohibits same.
7. Safety. Administrators shall not allow a parent/legal guardian to remove a child from school if the mental or physical condition of the parent, legal guardian or student at the time is such that the administrator reasonably believes the child's health, safety or welfare is at risk in the event the parent/legal guardian removes the child from school.
8. Neutrality. School administrators/personnel should at all times be neutral in family, personal or legal problems related to marital & custody disputes, separation & divorce.
9. Notice by Parents/Legal Guardians. Parents/legal guardians are responsible to provide the school administration with a copy of any court order which relates in whole or in part to any of the rights set forth above. [Back to Table of Contents](#)

RESPONSIBLE USE OF TECHNOLOGY

SAFETY & SECURITY

As much as we try to recognize all school family members, please be prepared to show picture identification. For the safety of our students and staff, all doors are secured. Visitors must ring the “doorbell” located at the front door to alert the office of their presence. The office staff will request the purpose of the visit prior to releasing the door.

Visitors must report directly to the main office immediately upon entering the building. Each visitor will enter information into the Visitor Management System, a photo will be taken, and a picture identification badge will then be issued.

Alcohol, Metal Detectors & Surveillance Cameras

With reasonable suspicion, students may be asked to submit to an alcohol odor detecting device or metal detector during the school day or at after school events on school property. Some schools may have video surveillance cameras. Some buses operated or contracted by HCPS may have both video surveillance cameras and audio recording equipment to monitor student safety and behavior. Please view the full handbook and/or the Board Policy Manual for more information.

Classroom Visitation

Classroom visitations should be reserved for specific educational needs as we do not want to interrupt the instructional day. In the event that you would like to meet with a teacher, please contact the school to set-up an appointment.

Emergency Contacts

The school maintains an emergency card for each student that contains vital information. Please make sure to update the card if any information changes. Only those who are authorized on the emergency card may sign students out from school or visit the classroom for the purposes of observing. We appreciate your cooperation and support! TRANSPORTATION

Please view the full handbook and/or the Board Policy Manual for more information regarding transportation. Students who are eligible are encouraged to utilize bus transportation; however, children may be dropped off by car at the “Kiss and Drop” area in the morning. Please pull forward and have your child ready to exit the car so that the flow of traffic may continue to move smoothly. Cars may not be in the bus lane from 8:30-9:00 or 3:00-3:45.

Harford County Public Schools utilizes a computer-based system called “[Infofinder](#)” to assist parents in determining bus routes, bus numbers, pick-up and drop-off times. Users can enter their specific address and get information for elementary, middle and high school. Please visit the [Infofinder](#) site to get started! The time that your child arrives home by bus will vary at the beginning of the year. As the year progresses and dismissal gets more efficient, children will begin to arrive home on time.

In the event no such parent, guardian or designee is present, the student will remain on the bus and be returned to his/her school at which time the parent will be contacted. In the event a student is returned to school more than twice during a school year, the parent shall be required to meet with the Director of Transportation and may be subject to termination of bus transportation.

Parent/Guardian Transportation

Parents/Guardians who choose to drop their child off at the school are responsible for the safety of their child until the school is open for students. Parents/Guardians who are not aware of the time that students are allowed to enter the school must contact their respective school directly for the information.

Parent/Guardian Responsibilities

Each parent/guardian has a role in the safe and efficient operation of the HCPS student transportation system. Parents/Guardians shall assume their responsibilities with the transportation system and extend cooperation and support to the people charged with its operation. Parents/Guardians should be aware that the privilege to ride a school bus may be temporarily or permanently revoked if the “Transportation Rules for Students” are violated.

- Parents/Guardians are responsible for the safety of their children from the time they leave home in the morning until the time they board the school bus and, at the end of the school day, from the time the school bus drops the student off at their bus stop. For those students in a non-service area, getting to and from the school safely is a parental responsibility.
- Parents/Guardians should check the bus routes prior to the start of the school year to review the accurate bus information. Bus stop information can be found on the HCPS website. Bus routes and stops are subject to change.
- Parents/Guardians are never to board the school bus unless authorized by the bus driver to do so and are never to create any disruption to the transportation system.
- Parents/Guardians should be aware that students are required to arrive to the bus stop at least five (5) minutes prior to the scheduled arrival time.
- Parents/Guardians should be aware that students are required to utilize the designated bus stop assigned by the Transportation Department. Requests may be made for the use of another bus stop to the principal for emergency situations and approval must be provided to the bus driver in writing.
- Parents/Guardians should be aware that large items or personal belongings that interfere with other students’ seating are not permitted on the school bus.
- Parents/Guardians shall be responsible for any damage or destruction of the school bus. Any destruction to the school bus may result in withdrawal of transportation services until the cost of the damage is settled.
- During the mid-day bus run, adult supervision is required for Prek students at the bus stop until the child is picked up, and at the time a child is dropped off. Once the student boards the school bus, the responsibility lies with the bus driver and the school administration.
